APPLICATIONS

- MACHINERY
- EQUIPMENT
- BUSES
- TRUCKS
- TRAINS
- MOTORS
- ENGINES
- FLOORS
- WALLS
- DECKING
- UPHOLSTERY
- CARPET
- TOOLS
- SHOP AREAS
- SHIPS
- MARINE FACILITIES
- OUTDOOR EQUIPMENT
- SPORTS FACILITIES
- PAINTED & BARE METAL
- CONCRETE
- ASPHALT
- PLASTIC
- COMPOSITE
- GLASS
- BRIGHTWORK
- SEALED WOOD PRODUCTS

MADE IN USA

Pride PERFORMANCE Triple Action CLEANER

PRODUCT BULLETIN

JULY 2012

PRODUCT DESCRIPTION

EFFICIENT CLEANING that

- **Lowers Cleaning Costs; fewer products, less water, less energy, less waste**
- **Promotes Workplace Safety; completely safe to use, non-hazardous, reduces liability**
- **Protects The Environment; Biodegradable, No VOCs, Non-Toxic**

PRIDE Performance is a highly effective cleaner and degreaser for all industrial and commercial cleaning applications. It removes all types of organic and inorganic soils quickly and thoroughly from porous and non-porous surfaces.

PRIDE PERFORMANCE has outstanding cleaning properties based on advanced organic surfac-

tant / inhibitor technology. Surface contamination is removed quickly; and rinsed away completely.

PRIDE Performance is

- **SAFE for your equipment; there's no surface damage from corrosives**
- **SAFE for you; no fumes, no corrosives, no burns, non-flammable**

- **SAFE for the environment; no VOCs, biodegradable, non-toxic, non-polluting in the air, ground or water.**

**REMEMBER
RECYCLE**

CLEANING RECOMMENDATIONS

PRIDE PERFORMANCE uses safe, multi-metal corrosion inhibitors AND GS-37 compliant ingredients.

PRIDE PERFORMANCE is versatile and easy to

use. Mix the concentrate with water and clean with a sponge, brush, mop, or power washer, the moderate foam and dirt and rinse away quickly. Use it full strength for degreasing engines and

bilges, soot removal, and removing embedded grime from fabric. Rinse with water.
