Pride RV -50 Antifreeze & Marine Engine -100 & -200 Winterizers

PRODUCT BULLETIN

JANUARY 2015

PRODUCT DESCRIPTION

PRIDE RV WINTERIZER 50 is a propylene glycol based antifreeze formulated potable water systems.

Always discharge in an approved manner or recycle after use.

PRIDE RV WINTERIZER 50 contains low toxicity corrosion inhibitors to protect all system components (plastic and metal) during off-season storage. Safe for all surfaces and finishes, metals, plastic and rubber. Safe for the environment; land and water.

SPECIFICATIONS
BURST PT -50F
FREEZE PT -8F
INHIBITORS 2-3%
COLOUR Pink
SPEC GRAVITY 1.02

Dilution is not recommended.

PRIDE MARINE WINTERIZER is a propylene glycol based antifreeze formulated for marine engines and boat water systems.

WINTERIZER 100
BURST PT -100F
FREEZE PT -55F
INHIBITORS 3-4%
GLYCOL >60%
COLOUR Blue
SPEC GRAVITY 1.0

PRIDE MARINE WINTERIZER contains low toxicity corrosion inhibitors to protect engines and system components during off-season storage.

Full Strength
Freeze - 55F / Burst -100F
2:1 Winterizer 100 : Water
Freeze - 55F / Burst -100F
1:1 Winterizer 100 : Water
Freeze - 6F / Burst -38F

Safe for all surfaces and finishes, metals, plastic and rubber. Safe for the environment; land and water.

WINTERIZER 200
BURST PT -200F
FREEZE PT >-60F
INHIBITORS 4-5%
GLYCOL >94%
COLOUR Blue
SPEC GRAVITY 1.05

IMPORTANT USE INFORMATION

**THESE PRODUCTS ARE FOR WINTERIZING
DURING STORAGE ONLY.**

**THEY ARE NOT INTENDED FOR OPERATING
MECHANICAL USE.**

Greater dilution than shown is not recommended.

AVAILABLE AS

Available in 55 G Drums and 275 G Totes
